Introducing the latest masterpiece by South Water Construction! Don't miss out on the chance to become a part of the iconic Cape May community and its stunning beaches. This home is a shining example of modern design, with an open floor plan that lets in plenty of natural light and provides ample space for entertaining or just kicking back. The ground floor features a spacious garage that can fit all your toys and two cars. On the second floor, you'll find a spacious living room that opens up to a charming front porch, a dining area, a sleek kitchen, and a luxurious master bedroom with its own ensuite bathroom. Both the kitchen and master bedroom lead out to a lovely rear deck. Venture up to the third floor and discover four more bedrooms, two bathrooms, and a convenient laundry room. Every inch of this home has been carefully crafted, from the stylish tile bathrooms to the durable flooring and custom kitchen. With the beach just a short walk away and the town within biking distance, you'll truly be living the beach lifestyle in your brand new home. Don't let this opportunity slip through your fingers - make this dream home yours today!
