OWNER WILL CONSIDER FINANCING. Spectacular high visibility corner location in Sea Isle City. Currently utilized as a real estate office and appraisal office. Multiple off-street parking spaces with ingress on 60th Street and egress on Landis Avenue. Zoning allows for a multitude of different commercial uses. Site is 100x110 and was approved in 2011 for a brand-new mixed-use commercial/residential building with 8 residential units (3 bedrooms/2 baths) and two first level commercial units. Updated approvals would be the responsibility of the new buyers. There is also an existing lease on the building that would have to be honored. Call agent for details of existing lease. Opportunities like this are rarely offered in Sea Isle City.
