COMMENTS

Back on the market through no fault of the home itself. Cute rancher on a quiet dead-end street. 3 roomy bedrooms and 1.5 baths. Spacious living room AND a second family room with a wood burning stove. Nice sized eat-in kitchen. Original hardwood floors in living room and bedrooms in great condition. Front porch and also a back patio that's screened in. Nice layout with good space. With a little love, this home could be your primary residence or your shore get-a-way. Being sold "as is". Easy to show.
