Adding to its distinctiveness, you and your guests can effortlessly step out of your bedrooms and onto the deck and pool area whenever you desire. The wing on the north side of the home comprises two bedrooms while the wing on the south side encompasses two bedrooms, a functional gym, and an ancillary room with additional storage. On the second level, you'll find the expansive living area, offering a seamless transition to outdoor living through three sets of sliding glass doors that lead to a spacious sundeck overlooking the pool area. Here, you can savor ocean views and a refreshing coastal breeze. The well-appointed kitchen boasts granite counters and top-of-the-line stainless steel appliances, including a Sub-Zero refrigerator, Viking dishwasher, Viking range, and a generous pantry. Additionally, the master bedroom suite on this level features a private sitting area with sliding glass doors that open to the second-floor deck with views of the pool, gardens and ocean. On the third floor, you will find the sixth bedroom. The vaulted great room on this level offers two seating areas and direct access to over 65 feet of oceanfront deck space, complete with a premium barbecue grill and a full exterior staircase leading to the pool deck and outdoor shower.
