OPEN HOUSE SUNDAY July 7th 11-1p. Welcome to this charming colonial home, offered for the first time ever! This lovingly maintained residence features 4 spacious bedrooms, 2 well-appointed bathrooms, a formal dining and living room, as well as hardwood floors throughout. The kitchen is lovely, with granite countertops, high ceilings, a cozy breakfast nook and tall windows that allow tons of natural light. Adjacent to the kitchen, step down into the cozy family room, or enter the four-season sunroom that offers stunning views of the inground pool. Additional features include a 1-car garage, a full house Generac generator for peace of mind, and a full unfinished basement that provides ample storage or potential for customization. The home is surrounded by mature landscaping, adding to its curb appeal and providing a serene outdoor environment.
