All the work has been done. All you have to do is pick out your furniture and move right in. The home has been remodeled and now features three bedrooms and two full custom tiled bathrooms, a huge family room, brand new appliances, new central heat and air, new electric service, new roof and fresh paint. This home sits on a 90x100 lot and has a fenced yard and a garage to store all your beach stuff. Very easy to show.
