COMMENTS

Recently renovated home in the heart of Pennsauken. This completely updated 3 Bedrooms, 1.5 baths includes vaulted ceilings with skylights! As you enter to the living room, you will immediately notice the new hardwood floors that run into the living, dining, and family room with a fireplace. The open layout leads to a nice bow window that lets in plenty of natural light. Looking out from the bow window you will see a fenced in back yard. The rear wood deck will be great for get togethers and BBQ's. The remodeled Kitchen has an abundance of cabinetry, new stainless-steel appliances (Stove and refrigerators are included), and tile backsplash with granite countertops. Adjacent to the kitchen area is a half-bath and laundry room. Attention to small details is evident with this property. This beautiful home will meet or exceed your expectations. This home will not last and schedule a showing today. Conveniently located close to all major routes (Route 130, Route 70/30), transportation (bus stop within 3 minutes walk), Cherry Hill Mall shopping & dining within 3 minute drive time.
