

86 Sunny
South Dennis, NJ 08210

Asking \$429,900.00

COMMENTS

Don't miss this charming Cape Cod style home, nestled in the Holly Acres neighborhood in Dennis Township, convenient to routes 47, 83, Kings Highway, and shore points from Avalon-Sea Isle. On the first floor you will enter into a spacious light filled and well appointed living area finished with hardwood floors flowing directly into the open kitchen area which is beautifully appointed with all white cabinetry and stainless-steel appliances. Off the kitchen space to the rear of the home on the first floor are two bedrooms, a full hall bath and laundry room area (downstairs bedrooms are currently used mostly as excess storage). Moving upstairs you will find two large bedrooms, one master bedroom and one additional large bedroom, with a full hall bath in between. The home offers an additional detached building - 2 car+ sized garage, and the large lot area offers unlimited potential - 100'x125', plenty of space to create your own back yard oasis. Call listing agent to schedule showing, please try to allow 24 hours notice. *house does have gas lines installed for hvac Septic system replaced in 2019, well water test ordered. *sale subject to owner finding suitable replacement property.
