Welcome to this exceptional new construction, architecturally striking, upside-down single-family home designed to capture expansive water and sunset views. Featuring 4 bedrooms and 3 full baths, this residence seamlessly blends modern elegance with practicality. Offering an elevator for convenience, quartz countertops, tiled showers, and a garage with a separate 400sqft (approx.) storage room at the back. The upper level features an open-plan living area with expansive windows and oversized sliders, flooding the space with natural light and framing breathtaking vistas. The kitchen, boasting a large island, and a stainless-steel appliance package, perfect for both everyday meals and entertaining. Downstairs, serene bedroom retreats include a primary suite with a luxurious en-suite bath, complete with oversized sliders that lead to the private exterior deck. Outside, the landscaped yard complements the contemporary architecture, providing a serene environment for relaxation. Experience unparalleled beauty and functionality in this thoughtfully designed home, ideal for those seeking modern sophistication in a coveted location. Completion estimated early Spring 2025. House color to be white with gray cedar impressions at the top apex of roof. **Pre construction price** Virtual tour available.
