WOW! I am absolutely speechless. Lucy's Loft, inspired by the past owners designer/daughter, is nothing short of AMAZING! From the balcony-styled loft reminiscent of the Baronet's front porch and balusters to the custom kitchen cabinetry, intricate tile work, nautical accents, and Grande features, every detail is exquisite. The beadboard and trim work throughout, the custom bath with stunning tile work and shell sinks (one in the master bedroom), the walk-in custom-styled closet, plantation shutters, and extraordinary furnishings all contribute to its unique charm. This is truly a must-see. Located in Beachfront Cape May, The Baronet offers a prime location directly across from the beach, with easy access to restaurants and shops. Enjoy ultimate relaxation on the fabulous wrap-around front porch, where you can unwind while taking in views of Beach Avenue, The Promenade, and the Ocean. Delight in the beachfront breezes and breathtaking ocean vistas. Additional shared amenities include a beachfront owner gathering room, coin-operated laundry facilities, an elevator, outdoor showers, and a communal storage space large enough for your beach chairs. Conveniently situated just beyond the elevator in the newer building section, this unit offers both convenience and comfort, we also have a covered parking space. The condominium fee covers water, sewer, trash removal, exterior maintenance, and building insurance. This unit is an excellent investment opportunity but is not currently a rental. It is sold furnished, excluding the seller's personal items and some art. The monthly condominium fee is \$316, with an additional yearly capital improvement reserve fund of \$1402. Units in this building seldom come up for sale, so swift action is advised. Call today for an easy showing.
