### COMMENTS

Well maintained and upgraded split level home located on a large 80 x 100 lot. This home has had quite a few upgrades starting with the opening of the kitchen into the living room, an upgraded kitchen with maple cabinets, granite countertop, ceramic tiled floor and stainless-steel appliances. There is a natural gas line to the house for easy conversion from electric. There are three bedrooms on the top floor and a large full bath. On the lowest level is an additional room that can be utilized as either a fourth bedroom or a tv room. There is an additional full bath located here along with a laundry area. There is a rear covered deck, two garages, one attached, one detached and a variety of vegetable and flower gardens.
