5 BEDROOM TOWNHOUSE WITH ELEVATOR

314 E Juniper Wildwood NJ

COMMENTS

Amazing Opportunity to Own a 1 of a Kind Townhome just 1.5 Blocks to the Beach, Morey's Pier and the World Famous Wildwood Boardwalk. While we have this listed as a 5 Bedroom home, you could easily use the 2nd Living room off of the master bedroom as a 6th Bedroom. At over 2200 Square feet, this property occupies the Top 2 floors of this complex with an elevator that runs from your garage area to your unit. This is only shared with the property below you. There is a 3-4 Car attached private garage to store all your beach gear, bicycles etc. There is additional private parking outside of the garage as well. The Rear of the property is beautifully paved and perfect for grilling and picnics. The Living/Kitchen area has cathedral ceilings further opening up this space. The Kitchen has gorgeous granite countertops with matching peninsula bar with seating. The Tile backsplash beautifully accents the stainless steel appliances and counters. This home is Perfect for those who are looking for their personal getaway or as a Rental. With this many bedrooms and elevator access for those that struggle with stairs, you should be able to receive top dollar. This home will be sold furnished less personals. The Current owners do not rent currently. You will love the Multitude of decks in the front and rear of this home offering privacy for all of the family members to enjoy the evening breezes and Friday night fireworks.
