All Real Estate Investors, Contractors and General Public are welcome to view this property. This home has extraordinary potential and is waiting for a righteous person to fulfill the dreams of the current owner. The previous owner before poured their heart and soul into this home with their expertise knowledge as a professional draftsman, with over 40 years experience, along with their extraordinary craftsmanship, on making this a summer home for their children, grandchildren and great grandchildren. Unfortunately, due to illness which led to their demise, the project came to a halt 7 years ago. The house sits on an 80x102 oversized lot with a detached garage in the Miami Beach section of Villas, NJ. The property is completely gutted after previous owner constructed the second floor onto the original rancher. They had plans to remodel it. The home is currently framed into a 5 bedroom, 2 bath abode. This property will be sold in the "AS IS" condition. A hold harmless letter must be signed before entering the home.
