Asking \$450,000.00

COMMENTS

Attention all investors. This is what you have been waiting for, whether it's for a rental property or just to have your home at the shore. You cannot beat the location. This property is a complete rehab, but it can shine like a diamond like it once did. This home is being sold in AS IS condition and a hold harmless letter must be signed before entering the house. Do not go onto the second-floor deck. Please enter the 2nd floor through the inside.
