Beautifully renovated with a fresh coastal design, this like-new construction 2nd-floor rear unit offers 3/2br + loft. The interior features brand-new luxury vinyl plank flooring throughout, a stylish kitchen with quartz countertops, subway tile backsplash, and stainless-steel appliances, complemented by a ship-lapped island. The fully tiled bathrooms have been updated with modern luxury in mind. Decorative beams add a touch of charm, and the expansive front deck is perfect for outdoor living. The exterior boasts maintenance-free vinyl siding and railings, with parking for up to 4 cars. Equipped with gas heat, central air, and all-new modern fixtures and hardware, this move-in-ready unit is easy to show and offered by a motivated seller. Photos are virtually staged.
