ONLY West unit still available. East unit under contract. Discover coastal luxury at its finest with this stunning new construction vacation home, designed to offer the perfect blend of elegance, comfort, and convenience. Boasting approximately 2,300 square feet of meticulously crafted living space in each unit, this residence features 6 spacious bedrooms and 5.5 beautifully appointed bathrooms, making it ideal for family getaways and hosting guests. Inside, the first level offers a large bedroom with an ensuite bath and direct access to the backyard, perfect for visiting guests. The second floor features four additional carpeted bedrooms, two with private bathrooms, one with access to covered private deck, plus a full hall bath and laundry closet. The third level opens up into a bright, spacious living area with high ceilings, seamlessly flowing from the gourmet kitchen with a center island & wetbar to the dining area and out the sliding doors to a covered deck—an entertainer’s dream. This level also includes a fifth bedroom with a private bath, plus an additional half bath for convenience. Two-zone central air and gas heat ensure year-round comfort, while luxury details throughout exceed expectations. This home showcases the finest finishes, including Andersen windows and sliding doors that flood the space with natural light, a private elevator, premium Everlast siding, GE Profile Appliances, and engineered hardwood floors. Ample parking for three cars! The outdoor shower adds convenience for beach days, while the state-of-the-art sprinkler fire protection system offers peace of mind. Located just a short walk from the beach, bay, and the bustling promenade, you’ll have easy access to Sea Isle’s vibrant dining scene, including Mike’s Seafood, Carmen’s Seafood, and La Finestra. Nightlife options like The Ocean Drive and Shenanigans are nearby, as are JFK playground’s pickleball & basketball courts, and boutique shopping. Don’t miss your chance to own a slice of coastal paradise! ONLY West unit still available. Completion date expected for both units early 2025.
