COMMENTS

This immaculately maintained Cape Cod-style home was effectively built in 2014 and includes substantial upgrades throughout. The home offers a thoughtful layout, with two bedrooms on the first floor and a primary suite on the second floor featuring a luxurious primary bath with a spa tub. Both bathrooms boast custom ceramic tile, while laminate flooring runs throughout the main living areas. The bedrooms are finished with cozy wall-to-wall carpeting, and all closets feature custom built-in finishes for added organization and convenience. Each room is equipped with ceiling fans for additional comfort alongside central air conditioning and forced hot air heating, both systems are well-maintained and only 10 years old.
