### COMMENTS

This home is a must see. It has been remodeled with special care. The front and rear decks are large enough for great entertaining. The septic system has just been installed; the lot is very large enough for whatever is in your mind. The owners have installed the following new equipment. Air conditioning and heat, water heater, windows all new luxury bathrooms, new flooring through the home, and new rugs in the master suite. In addition, the master suite has a walk-in closet with shelving through-out. The kitchen has all new cabinets, and countertops. Appliances are all upgraded stainless steel. In addition, the laundry room is a dream size for all your daily needs.
