COMMENTS

What a great cottage to be close to the shore but not spend a fortune. This is located at Lake and Shore RV Resort. It is seasonal use only April 1st to October 26th. During the winter it is Friday to Monday. The lot fee is around \$8900 a year due April 1st. There is a lake which you can paddle board and kayak, a huge pool, water park, miniature golf course, adult lounge, gym, and huge room where they have bands, play candy bar bingo and numerous other activities.
