For many people, a solid, impregnable foundation is the only way to build a safe and secure future. That's why the world's most successful and profitable companies invest in the most advanced and reliable equipment available. They know that a solid foundation is the key to a successful future. And they know that a solid foundation is the key to a successful future. And they know that a solid foundation is the key to a successful future.

James Hardie is a well-known cement board siding product, the advantages and positive features in all kinds of climate with strength, beauty, and durability. James Hardie siding's strength and thickness provide impact resistance to hurricane-force winds, rotting, cracking, splintering, brutal heat, and swelling.

## COMMENTS

Welcome to Cape Island Estates. A few homes of the eight semi-custom new construction neighborhood have been released for sale on our beach to farm Cape May Island. Each unique home is designed with classic lines and timeless architecture yet constructed with modern materials and superior finishes. Easy access to all that Cape May Island has to offer with privacy of large lots and exclusivity of designer construction. This model can be expanded by enclosing the rear patio, adding a powder room in the mud room, finishing a storage area on the 2nd floor to create a 5th and or 6th bedroom, and even adding another bathroom, make the 1 car a 2 car starting at \$40,000. Add a pool, pool house, and more. Paul Burgin, a well-known craftsman, who has been building homes in the Cape May Area for over 30 years, brings integrity, experience, and artistic talent to the new Cape Island Estates. Acre lots set far off Seashore Road (see subdivision). Church Street is a new street and not on maps as of yet. Please see the full brochure. There will be a Buyer coordinator to assist through the process. Anticipate June/July 2025 closing, depending on the Contract date.
