Beautiful Single Family 3 Bedroom, 2.5 Bathroom. Home. Located in the historic Ottens canal section of North Wildwood. Subject property was custom built for the current owners and has had yearly maintenance throughout its life. The house is raised and has a nice space under neath for storage, fun and games, or whatever else you want to cret with the space. The main entrance is up the steps to the very large deck that has water views of the canal. Imagine catching summer breezes, and eating lunch or dinner outside. In to the home you will find a cozy living room and kitchen. A master bedroom with its own bathroom. 2 other bedrooms with a shared bath. a fenced in yard for the Pooch. Another great thing about this property is it is lightly used, only through the months of April to October, mostly just weekends and has never been rented. The Canal Kids of the early days of the Island, fished and crabbed right across the street, and you can do the same. A tackle shop is on the Canal for all of your nautical supplies.
