WHAT A LOCATION! If you are a "Beach Person" this is the place for you. Just a half a block away from the beach and World-Famous Boardwalk, this well-appointed three bedroom, two bath condo is right where you want to be! Ideally situated between the two major piers, the unit is close to restaurants, attractions, shopping, and offers a front seat to the Friday Night Fireworks. This is a turnkey property perfect for your second home, with recently renovated bathrooms, newer HVAC (2022), newer hot water heater (2022), plus newer dryer. Step inside to the great room - living room, dining area and kitchen clean and ready to use. Down the hallway are two guest bedrooms, a common bathroom, a laundry closet with washer/dryer and storage space, and the primary bedroom with ensuite bathroom. This is a well-established, beautifully maintained and well-run complex. HOA fee is \$571 paid quarterly, and covers exterior hazard insurance, flood insurance, landscaping, maintenance, and reserves. HOA has just installed a brand-new roof (Nov 2024)! The garage has enough room for two cars and also one additional space on the parking pad out front. There is also a large storage room behind the garage for bikes, beach gear, etc. The property is pet friendly for owners and the Wildwood dog beach park is just a block away. Current owner booked 3 weeks this year and reserved the rest of the summer season for personal use, so enjoy it for yourself or book your own rentals!
