The anticipation has ended! This "brand new" residence, completely renovated in 2022, stands out from any other listing. It boasts three spacious bedrooms, two full bathrooms with walk-in showers, attractive LVT flooring throughout, and an open kitchen equipped with sleek black appliances. The large island is perfect for dining, complementing the open floor plan. Additional features include a tankless hot water heater, new windows, and a new roof. Full size screened in porch for those wonderful summer nights. It's a must-see property where all the renovations have been carried out with precision, just for you.
