### COMMENTS

Yes, you read that correct. You can own a multifamily property on the island for under 500,000. This property consists of 3 units. The front house is a 2 bedroom and 2 full bathroom unit on the first floor. Upstairs unit is 1 bedroom and 1 full bathroom. You could use the whole building as a single-family home and just rent out the cottage to offset the bills. The back cottage is a 2 bedroom and 1 full bathroom. This property is being sold strictly as is. Any and all inspections are for information purposes only.
