Awesome Beach block condo on the first floor. As you walk in the front door you will notice right away that this condo received the silver spoon treatment. This condo has 2 bedrooms with one full bath and has an open concept living room, dining area and kitchen. There is a spacious front covered porch, fenced in patio area in the rear and off-street parking. This condo is literally steps to the beach and on a great block. This is the "Ocean 7 Three Unit Condominium Association". Lockbox on property and easy to show.
