Single Family Home in North Wildwood with 5 Bedrooms and 3.5 bathrooms, over 4,000 square feet of living space on the east side of town for under a million. The first floor consists of a foyer, 1 bedroom and a full bathroom along with a family room with a pool table, perfect area for a wet bar leading to the first-floor back deck. As you go upstairs you walk into a large open living room, kitchen and dining area with a half bathroom. There is a large front deck off the dining area, perfect for entertaining all your family and friends at the shore. The third-floor features 4 bedrooms and 2 full baths. Your oversized master suite has a walk-in closet and another front deck along with its own full bathroom. There are three other bedrooms and a full bath along with a laundry room on the third floor. There is plenty of space for easy outdoor living in the summer. Use all the deck space to its fullest. Large garage for your car/golf cart and all your beach accessories. No need for a lawn mower, this property is designed for the simple beach life. Utilize the outside shower when you come off the beach. If you're looking for a large single family in North Wildwood this is a must see.
