COMMENTS

This fantastic unit was upgraded in 2020, featuring new plumbing, electrical systems, ceilings, and walls. It boasts an open kitchen and a spacious dining area. The unit includes a large bunk room with a double bed on both top and bottom. A newer half bath accommodates the overflow of guests. The primary bedroom offers ample built-in storage. A large Florida room contains two queen sleeper sofas and abundant space. This unit is furnished with a few exceptions. Outside, there is a sizable Trex deck with new railings, alongside a concrete parking pad and shed.
