COMMENTS

Nestled in the heart of North Wildwood, this income-producing top and bottom duplex is a fantastic investment opportunity just a short walk from the beach. Each unit offers 3 bedrooms and 1 bathroom, featuring newly updated kitchens, LVP flooring, and beautifully remodeled bathrooms with tiled floors and showers. Recent upgrades include new natural gas hot water baseboard heating throughout, new electric, and separate electric meters for added convenience. Enjoy the coastal breeze from the covered front porch or relax in the fenced backyard. The property also includes a garage for additional storage. With a strong rental history, this duplex generated \$79,914 from VRBO bookings and \$10,000 from a winter rental (January-May) in 2024, totaling \$89,914 in rental income—with even greater potential, as the property was left vacant during June for renovations.
