A very well maintained ranch built by Tompkins Builders a local popular builder. Hardwood floors throughout most of the home are about 10 years old. Step into the living room with a sunny picture window and big coat closet. Next is the kitchen with gas cooking and plenty of cabinets; then your dining room that is adjacent to the sun room to relax and view the wildlife, it's heated by an electric fireplace. There are 3 bedrooms with full hall bath and primary bedroom has double closets, en-suite bath with step in shower, vinyl floor. One thing this home has is plenty of closets, utility room with washer & dryer and attached garage. There's pull down stairs to a partially floored attic, all of this on 1.62 acres. Home will be left furnished except for a few items, list will be provided.
