Discover a truly unique opportunity to own a culinary institution steeped in tradition and community history. Welcome to Cousin Mario's Italian Restaurant, a beloved establishment that first opened its doors in 1973, founded by the visionary Mario Giordano. Situated in the heart of Mays Landing, New Jersey, this restaurant has become an integral part of the town's fabric, cherished for its authentic flavors and warm atmosphere. Cousin Mario's traces its origins back to the early 1970s when the Giordano family was introduced to Mays Landing by a cousin who said, "My Cousin Mario is getting ready to open up a pizzeria". The name "Cousin Mario's" stuck and has since become synonymous with exceptional Italian cuisine. The new building, constructed in 2008, boasts a prime location in a high traffic area just off US Highway 40, ensuring excellent visibility and accessibility. This remarkable property encompasses a bar, restaurant, and pizzeria, offering a diverse range of dining experiences. The sale includes a coveted Class C Plenary Consumption Liquor License "33," allowing for package goods to be sold. The expansive layout features a large banquet room, inviting sunroom, and a comfortable sitting lounge. A centerpiece gas fireplace, adorned with slate accents, divides the bar and lounge area, creating an inviting and cozy ambiance. The restaurant provides a designated spot for live music performances, elevated for optimal enjoyment. The property's versatility extends outdoors, accommodating events and concerts, making it a hub for community gatherings. Embracing modern eco-conscious practices, Cousin Mario's boasts a 180-panel solar system that's fully owned, providing both energy efficiency and a forward-thinking investment. The solar panels, installed 12 years ago, come with an additional three years of Solar Renewable Energy Credits (SRECs). The roof was also replaced 12 years ago with a 40-year shingle. Strategically positioned, Cousin Mario's is in close proximity to various businesses, including an Industrial Park, shopping centers, gas stations, schools, and more.
