

4 Main St
Bridgeton, NJ 08302

Asking \$309,000.00

COMMENTS

Welcome to your new home! This newly renovated home features 4 bedrooms, 1.5 bathrooms and lots of sunlight and space. The roof is brand new, the siding is brand new as is the electrical work, the air/heating system & machines, the windows, doors, and almost everything else you see! Walking into the front door, there is a bright front room leading into a large living area. On the other side of the staircase, you have your other living or dining area, with a powder room there as well. The brand new kitchen features top of the line stainless steel appliances, quartz countertops, white subway tile backsplash, and a central island counter with an overhang for seating. The kitchen & bathrooms feature beautiful modern ceramic tiling. Off the kitchen, you have a mudroom area, with a laundry hookup, and a door leading outside. There is a brand new deck off the kitchen as well, with large sliding doors. Upstairs, there are three great size bedrooms and a completely renovated bathroom. The flooring throughout the house is luxury vinyl flooring, in the bedrooms as well. The third floor has an extra large bedroom, and another open space, which can potentially be turned into a fifth bedroom or be used for additional living space. The backyard has a large grassy space, bordered by wonderful trees- just imagine your long summer days spent here! Come take a look at this wonderful home today!
