Situated on a huge corner lot with a fenced yard, enclosed outdoor shower, professionally landscaped, with multiple decks and even a fabulous, custom, wood burning, outdoor fireplace to make those cool fall nights and breezy summer evenings even more enjoyable without the chill. Exclusive crown and chair rail molding finishes throughout enrich the home's interior. The newly renovated bathrooms are perfectly finished with calming, beach-toned glass backsplashes and tile showers. The four bedrooms are all spacious and pleasant. The generous master suite is situated at the far end of the home creating a private oasis, with glass sliders that lead out onto a large deck for that first, peaceful, morning coffee. Two year young roof and HVAC, with newer condenser. Custom paint throughout that adds to that beachy, coastal vibe. Ample two car garage with a spiral interior staircase that leads to the living space above. The large garage flows into a huge storage space, just perfect for a workroom, game room, or just for storing all those beach toys. Plenty of space for kayaks, jet skis, bicycles and more!
