

**520 Adriatic Ave
Atlantic City, NJ 08401**

Asking \$229,000.00

COMMENTS

Welcome to Atlantic City! This beautiful and fully renovated semi-detached home is now available on the market. With 3 bedrooms and 2 bathrooms, this property offers a comfortable, spacious, and beautiful living style. The house's exterior is completely renovated, including the siding, a new deck in the back of the house, a new front house face with breaks, and much more. Inside, the house is completely renovated. This house has modern upgrades, a stylish kitchen, a new bathroom, and an inviting atmosphere for any event. The house is located in a desirable area, close to Ocean and Hard Rock Casinos and the Atlantic City beaches. It is a very convenient location for Airbnb rental investment or a beautiful home for the new owner. You must see it.
