### COMMENTS

A Rare Find.. walk across the street to the beautiful Clubhouse complete with indoor and out door pools. Home features a split plan so perfect to share with someone. Bedrooms and baths are separate and there is a living room and family room. This is not always available in this community as there are not many condos. It feels just like living in a home. All outside maintenance is covered by association. Bring your TLC to make it your own. Has been well cared for. Under contract - taking back up offers only
