Great Location!! This property is currently being used for residential but is zoned for commercial as well. With 3 bedrooms and 2 baths this home gives you plenty of space. The location is fantastic for a business, you'll have lots of traffic to promote it. The lot is huge and provides plenty of parking and land for whatever you need. If you need more space for your family, there is a trailer that comes with the sale. Come check out this lovely property with enormous potential.
