## **COMMENTS**

REDUCED! Great investment opportunity to own a double sided billboard on a high traffic highway! Located on the White Horse Pike right after Pleasantville and Absecon traffic merges onto the pike heading towards Atlantic City. The Billboard targets tourist and locals on their way to Ocean Casino, Hard Rock, Water Park and many more attractions. This is an excellent way to advertise while collecting rent from the second billboard at the same time! Make an offer and start advertising your business today!
