COMMENTS

Wonderful Cape Cod home featuring a 1st floor addition with full bath that would make wonderful main bedroom. 2nd floor features 2 beds and another full bath. Intricate original hardwood floors throughout, full basement, large yard, sun room addition on the back of the home. Home needs work, there is a hole in the roof of the 1st floor addition. but has tremendous potential. Fantastic street, great area of Glendora. Great for investor or someone using 203k FHA financing.
