UCCS, Very well maintained 4BD 2.5BA 2 story home. The sellers have taken pride in their home and it shows. From the moment you enter the front door you will be impressed. There is a living room and dining room combination which leads into the EIK with a breakfast nook. The kitchen is updated with granite counters and newer appliances. There is a large family room with a wood burning fireplace. Upstairs has 4 very generous sized bedrooms. The Master BD has a large walk in closet, the full bath has a jacuzzi tub and separate shower. There is also a full unfinished basement which can be finished and used as additional living space. The roof is approximately 2 years old. Outside features include lush landscaping, patio pavers, irrigation and a 2 car attached garage. See Agents Remarks.
