COMMENTS

Charming property with plenty of potential! The home's setting backing onto the Seaview Golf Course provides a beautiful view and a sense of openness. The large lot size of 1.14 acres is a definite plus, especially with ample cleared space for outdoor activities. Versatile layout with three bedrooms and two full bathrooms on the main level, including a spacious primary bedroom that could serve multiple purposes with its fireplace and walk-in closet. The additional bedroom, sitting area, and full bathroom on the second floor offer extra space and privacy. Nestled away on a quiet street in Galloway, which adds to its appeal as a peaceful residential location. Overall, wonderful opportunity for someone looking to personalize and add their own finishing touches to create their ideal home environment.
