## COMMENTS

Sunny, bright, two-bedroom, one-bath top floor at Hampton Court in the "university district." Ocean views and minutes from the Stockton University campus, only a short walk to the beach. Features include an elevator, laminate flooring, a full-size gas range, a microwave above, and low (\$337 monthly) condo fees, including instant hot water. Coupled with meager taxes (\$ 2,973 yearly), this is a rare and unique investment opportunity at a very reasonable price! The City provides a 3-hour limit for street parking with a permit at Buyer's expense.
