## COMMENTS

Located in the heart of Tuckahoe, this classic 2-story is loaded with lots of old-time charm. Interior features include a living room; a family room; a huge dining room with an open stairway to the second floor; a warm country kitchen with doors leading to a wood deck; and a first-floor bathroom with a Jacuzzi tub. The second floor features a large master bedroom with a walk-in closet, a dressing room, a dramatic tray ceiling, a propane fireplace, and double doors leading to a small deck. There are two additional bedrooms and a hall bathroom. In the large attic, there is a fourth bedroom and a bonus room. The outside features include a screened-in porch; a carport at the rear of the kitchen; storage sheds; and a U-shaped driveway with lots of off-street parking. Natural gas has been run to the side of the house for future upgrades.
