Paradise in the Pines, Sitting on 3.8 Acres!!! This home is too unique to put words to, so put this on your list to see. This compound has 2 homes; perfect for in-laws quarters, or rent it and offset living expenses. It doesn't stop there. This property also has a 30x40 pole barn (estimated) for all your storage, hobby, or car collector needs. When you are not working in your private garage, you can cool off in your beautiful in-ground pool, with pool house or outdoor shower. This home is a must see to appreciate all it has to offer, and it has plenty to offer. Call today to see it for yourself, or contact me with any questions.
