WELCOME HOME! This charming one-bedroom, one-bathroom end unit offers modern conveniences and a prime location directly across from Historic Smithville. Enjoy weekends exploring vibrant shops and dining options just steps from your door, or take advantage of the large green space across the street, perfect for walking your dog. Inside, the home features a spacious bedroom with a walk-in closet, adding to the comfort and functionality. The open-concept living area is enhanced by a stunning cathedral ceiling and updated with new floors, a new dishwasher, a washer and dryer, and granite countertops installed in 2021. The renovated bathroom includes a new toilet, updated flooring, and added shelves for extra storage. The cozy living space also features a recently refreshed fireplace with new panels and a fresh coat of paint from last year. Additional upgrades include new windows and attic panels for extra storage. This property combines convenience, style, and a desirable location. Don't miss this opportunity to make this your home—contact today!
