The Polo Club !!! Very rarely does a lot, much less a 3500 sq ft new construction house go on the market in the Polo Club at Smithville. This magnificent home was built by master builder Jim Cox. Large rooms and soaring ceilings throughout. The Modern Farmhouse feel has been mastered in the design of this house. The owners suite has ample space in the bedroom, a massive walk in closet and double vanity in the four piece bath. The second floor has been prepped for an additional living space or on suite bedroom.
