COMMENTS

Very well maintained 4BD 2BA rancher located close to the bike path and Blue Ribbon Schools. The seller has lived in the home for more than 30 years. There is a nice sized living room, EIK, and a large laundry room. There are 3 BD's and 1 FULL BATH to one side of the house and a 4th BD and FULL BATH by itself for added privacy. This could be the perfect set up for extended family, an in law suite or play room. There is electric heat and an AC window unit in this location. Recent updates include a new roof and a HWH installed in Sept. 2020. Outside features include a front porch, oversized deck in the back and a shed. One BD is currently used as an office, the seller does work from home and will try to leave during the showing but this may not always be possible. Though the house is in good condition the seller is selling it "AS IS". The buyer will be responsible for any and all inspections and certifications. This will be subject to the Seller Finding Suitable Housing but is actively looking. All showings to be scheduled through Showing Time.
