## COMMENTS

The property comprises a 2800+ sq ft building housing a warehouse and office space, complete with a reception desk. It is strategically positioned for use as a contractor distribution center or for any business necessitating indoor and outdoor gated parking for 8+ vehicles. The property's advantageous location ensures convenient accessibility to the Atlantic City Expressway and the Brigantine Connector Tunnel. Furthermore, it is equipped with bathroom facilities and gas heating. I highly recommend scheduling an appointment to view this property and encourage you to contact the listing agent to arrange a visit.
