The heart of the home is the beautifully updated kitchen, renovated just two years ago. It features a brand new island, granite countertops, all-new Frigidaire Gallery appliances, a wine fridge, and a pantry. The first floor also includes an updated powder room, a convenient mudroom with a closet, two living rooms, and a formal dining room—perfect for both everyday living and entertaining. Upstairs, the primary suite offers a serene retreat with a large walk-in closet and a newly updated bathroom, complete with a Jacuzzi tub and separate shower. Three additional spacious bedrooms, a full bathroom, and brand new carpet (installed June 2024) complete the second floor. This home features Anderson windows throughout. The backyard is an entertainer's dream, featuring a screened-in porch with a luxurious mahogany ceiling, a custom paver patio with a sitting wall and lights (installed in March 2021), and a large fenced-in yard. Additional outdoor amenities include a shed and a sprinkler system for both the front and back yards.
