As you approach the home, you're welcomed by a stunning wraparound porch and a new Anderson custom front door, setting the stage for what's inside. The heart of the home is the beautifully updated kitchen, renovated just two years ago. It features a brand new island, granite countertops, all-new Frigidaire Gallery appliances, a wine fridge, and a pantry. The first floor also includes an updated powder room, a convenient mudroom with a closet, two living rooms, and a formal dining room—perfect for both everyday living and entertaining. Upstairs, the primary suite offers a serene retreat with a large walk-in closet and a newly updated bathroom, complete with a Jacuzzi tub and separate shower. Three additional spacious bedrooms, a full bathroom, and brand new carpet (installed June 2024) complete the second floor. This home features Anderson windows throughout. The backyard is an entertainer's dream, featuring a screened-in porch with a luxurious mahogany ceiling, a custom paver patio with a sitting wall and lights (installed in March 2021), and a large fenced-in yard. Additional outdoor amenities include a shed and a sprinkler system for both the front and back yards. This home is meticulously maintained with fresh paint, a newer HVAC system, furnace, and a hot water heater installed about four years ago. A large unfinished basement with a sump pump provides ample storage and endless potential for future use. Added bonus this home is just minutes to Linwood, Somers Point, Ocean City, parkway entrance, the beaches, and golf courses. Don't miss this opportunity to own a unique, move-in-ready home!
