Experience coastal living at its finest in this newly renovated, second-floor 5-bedroom, 3.5-bath home, ideally situated on an oversized lot in the highly coveted North End neighborhood, just one block from the beach and boardwalk. Step inside to a light-filled, open-concept living space featuring soaring vaulted ceilings and a cozy gas fireplace. The custom-designed kitchen showcases an expansive island with a waterfall edge and cabinet storage, premium quartzite countertops, high-end custom cabinetry with above and under-cabinet lighting, and a suite of stainless steel appliances, including a double oven and a refrigerator with craft ice maker. Adjacent to the kitchen, the dining area accommodates a large dining table with seating for 8-10 guests. Ample storage is provided by multiple large, floor-to-ceiling pantry units. The entrance area features a stylish bar and tiled mudroom with a 40+ bottle capacity wine fridge and additional cabinetry. Two king-sized master suites each boast en suite bathrooms with custom rain showers. The hall bathroom offers a spa-like experience with an extra-deep soaking tub, oversized rain shower, and double sinks. Every bathroom is appointed with luxurious finishes, including marble, premium tile, and new cabinetry from a recent top-to-bottom renovation. The three additional bedrooms comfortably fit queen beds or multiple bunk beds. Convenience is at your fingertips with new, extra-large washer and dryer units in the hall closet and a top-of-the-line tankless water heater. Step through the brand new Andersen sliding glass door, complete with internal blinds, onto a spacious deck offering both open-air and covered areas. Additional features include an attached garage, two off-street parking spots, expanded attic storage, and an outdoor shower on the first floor—perfect for rinsing off after a day at the beach. Located just steps from the charming Positively 4th St Café, this home offers a seamless blend of luxury, comfort, and convenience in one of Ocean City's most desirable locations.
