Welcome to your dream home at 393 English Creek Road! Nestled on 7.4 picturesque acres, this exquisite 2,898 square foot residence combines architectural elegance with the warmth of natural materials. This 2002 custom-built timber frame/post and beam home features stunning wood sourced from New Hampshire, creating a unique and inviting atmosphere. This thoughtfully designed home boasts 3 spacious bedrooms and 2.5 bathrooms, including a spacious first-floor primary suite for easy living. With soaring 18 ft. ceilings and hardwood floors throughout, the open living space is perfect for entertaining. The chef's kitchen, adorned with beautiful granite countertops, is ideal for culinary adventures. Cozy up by the gas fireplace in the living area or in the charming sunroom. Additional highlights include geothermal heated floors for energy efficiency and comfort, a convenient 2-car garage with heated floors, a central vacuum system and a full unfinished basement offering endless possibilities for customization or storage. A dedicated computer nook provides a perfect workspace, while under-staircase storage keeps your living areas organized. The fenced-in entrance adds privacy and security, making this property a true sanctuary. Step outside to discover your own private oasis, complete with a tranquil pond, a delightful garden, patio, and a charming greenhouse. This property is a rare find for those looking to blend comfort, style, and outdoor beauty. Don't miss the chance to make this unique post and beam home on 7.4 acres your forever home!
